NOTE OF APPRECIATION TO SPONSORS AND PRIZE DONORS OF AAHMES TEMPLE SHRINE LUNCH CLUB

The booking season is now open for securing sponsors for the Shrine Lunch Club for the year 1942.

There are six of the nine dates for the year open. If you are interested, we will greatly appreciate your making contact with us at once through the Recorder's Office. Remember, it will be to the advantage of your organization to sponsor one of these luncheons.

I want to convey my thanks to the sponsors, prize donors and to all those who have so loyally supported and cooperated with our committee. Each and every one of you merits much credit for your part in making ours the finest Lunch Club in the United States.

It is my earnest desire that Aahmes Shrine Lunch Club will continue to receive the excellent sponsorship and support that it has enjoyed in the past, which will enable it to continue to occupy the enviable position it now occupies in our community.

SOME NAMES are perpetuated in stained glass windows, bronze plaques, and by other means. But every Shriner can erect for himself a more needful and helpful PERPETUAL MEMORIAL at a very small cost. At the same time he will be furthering the work of the World's Greatest Philanthropy—The Shriners' Hospitals for Crippled Children.

The Memorial is a Permanent Contributing Membership in the Hospital Fund. The cost is only $60. The money is invested by the Imperial Council and each year the interest from your deposit will be added to the Hospitals' maintenance fund. Thereby your good work of helping little crippled children will continue long after you have entered the Unseen Temple.

A certificate in four colors is sent to each Life Member to remind him that he has enrolled for all time in the campaign to bring back to health and strength thousands of unfortunate children, who, through no fault of their own, would be helplessly crippled for life except for the Shriners' Hospitals.

It was through the wonderful support of these committees and uniformed units that credit should be given for the success of the many events accomplished.

To those who are retaining football tickets and allowing the money to go to the hospital, I extend on behalf of the hospital board their sincere thanks and appreciation.

To my successor, I turn over to him $10,000 in excess of the funds available to me at the time I took the reins of the Temple and I wish for him a most happy and prosperous New Year and to each and every one of you much success and happiness in the year to come.
